

ENTRUSTMENT

to Mary Help of Christians

O Mary Help of Christians, our Mother and Teacher,
You have been the inspiration of our Institute
and continue to be its wise and sure guide.
At the beginning of this day, we entrust to you Mother Chiara,
chosen by you as the bond of communion
the center of unity of our religious family:
take care of her and give to her steps
wisdom, courage, and the unlimited certainty of your help.

O Mary, Star of the sea and Mother of hope,
we entrust to you the Church of God and all humanity:
grant that all those who seek the Lord,
the source and fulfilment of all hope
may have the possibility to meet Him.
You who with wonder and love responded
“Here I am, let it be done to me...”
to the One who wanted you Mother of children in the Son,
grant that our life may also be a response of grace and salvation:
help us to walk together with you,
to be faithful and prophetic in the educative mission, entrusted
to us in the charism of Don Bosco and Mother Mazzarello.

O Mary Help of Christians, our life, sweetness, and hope,
with confidence we entrust to you our life as well
that it may “light the Gospel of Hope”
in the heart of the Sisters, the families, and the young,
so that the steps of our daily pilgrimage
may sing our unending joy of being
the living Monument of gratitude to you,
to the glory of God the Father, for the good and peace of humanity. **Amen**
